Application No. 10/695,185

Paper Dated: March 16, 2006

In Reply to USPTO Correspondence of January 20, 2006

Attorney Docket No. 2204-031509

**REMARKS**

Claims 1 and 2 have been cancelled. The rejection thereof under 35 U.S.C. §103(a) for obviousness over JP 410017999 is moot.

Claims 3-5 are allowable if an objection thereto is overcome by inserting "whereby temperature is in degree centigrade and time is measured by hours" to clarify the units for time and temperature in the formula of  $\lambda$ . Having followed the Examiner's suggestion, claims 3-5 are believed to be in condition for allowance.

Respectfully submitted,
